

It's Back.....

TOM SMITH  
Worship Pastor

Ahhh.... Summer time. Warm days by the pool, fun times with friends, family picnics, and Summer Music Camp. Summer is here, and we are in full swing making preparation for all of our summer events for you and your family. VBS will kick off our summer on Monday, June 8th, and the fun will continue from there.

This year Summer Music Camp is back! With the exception of last year, Northside has produced a summer music camp for children reaching hundreds of children across Victoria annually. This year will be no different. Children will arrive on campus Monday, June 22 and experience five wonderful days full of music, choreography, Bible lessons, art classes, recreation, and fun all culminating in a full musical performance Friday June 26th at 5:00pm. This year's musical is a Back to the Future themed musical entitled Back to the Cross about a group of children who discover a time machine and travel back to "ancient time periods" including the 1980's. Yes that is an ancient time

to these young children. They will see the journey of the cross through time and discover the real meaning of the cross along the way.

Now is the time to register your child or grandchild for Summer Music Camp. The deadline is quickly approaching and space is limited. If you do not have children or grandchildren there are many ways you can be a part of this week as well:

- 1) Pray for both the students and leaders. This is a wonderful outreach opportunity for our church to reach the community and show them the love of Christ. It also requires many volunteers who give of their time to see that each child has the best experience possible.
- 2) Volunteer to help. We have positions ranging from nursery to kitchen. We would love to have you and need your help to make this a success.
- 3) Monetary donations are also needed to help offset the cost of this week. If you feel led to give above your normal tithing, please drop this in the offering plate or bring it to the church office.

Thank you for your support for these children and this ministry. This week will be a time for each of these students to step onto a campus full of people that love and care for them and they will have an opportunity to make memories that will last a life time.

Watch your worship guide for many other family friendly church wide activities through the summer.
