

It's a good place to be...

MICKEY EWING  
Assistant Pastor

Have you noticed? Northside is a good place to be. Not just on Sundays, but ALL of the time. Not just for adults, but for students and children, too. This is really a great place to be...

**A good place to be in worship.**

You can't be a part of our Sunday services without sensing that God is here. The music is uplifting, the sermons are inspiring, and the spirit of fellowship is encouraging. It's a good place to be.

**A good place to be involved.**

This is a place where you can find an opportunity for service that's just right for you. No matter what your interests or skills, there is a place for you to plug in and be a part of the kingdom work that is going on right here and around the world. It's a good place to be.

**A good place to be developing friendships.**

Northside is a place where you can make friends who will be with you for a lifetime. You will find them sitting beside you in Sunday School classes, in Discipleship Groups, and in home bible studies. You might discover them on the other end of a two-by-four on a mission trip. You might find them right here, kneeling beside you in a time of prayer. It's a good place to be.

**A good place to be growing.**

We all go through seasons in our Christian walk. Sometimes we take great strides in our personal growth. Sometimes we seem to be coasting or even losing ground. If you find yourself with a desire to draw closer to the Lord, you'll find Him all around you here. It's a good place to be.

In His service,

*Bro. Mickey*

## THE PASTOR'S BLOG

I was asked by a friend this week how things were going in my new role. I told him the best way I can describe it is to put your head in front of a fire hydrant and open it. All kidding aside, I am settling in and very excited about what God has in store for Northside. ....*read more at [nbcvictoria.org/blog](http://nbcvictoria.org/blog)*
