

OUR WORLD IS BROKEN

DEAN MEADE
Discipleship Pastor

“Our world is broken; everything and everyone in this world is broken. In fact, there are only two kinds of people in the world: those who know they’re broken and those who are broken but don’t know it. God wants us to know that we are broken...We’ve got to realize that every sinner has a future and every saint has a past.” Pastor Rick Warren, founding pastor of Saddleback Church in Lake Forrest, California.

We are all on a journey of becoming all that God intends us to be. All of us have hurts, habits and hang-ups that we need God to transform. Celebrate Recovery at Northside is a safe place to work on issues that are keeping you from becoming all that God intends you to be. Anger, depression, grief, divorce, general dysfunction, and addiction are just a few of the many issues that Celebrate Recovery will address.

WE ARE ALL ON A JOURNEY OF BECOMING ALL THAT GOD INTENDS US TO BE.

This recovery program is based upon Jesus’ Sermon on the Mount. As you work through the program you will begin to address the hurt, habit or hang-up that has you stuck in the moment. You’ll see it for what it is and develop an action plan based on the foundation of the Bible that will help you move forward in your recovery.

Celebrate Recovery meets every Tuesday. A light dinner is served at 6pm, followed by a large group teach time from 6:30-7:30pm. Open Share Groups for men and women meet immediately following from 7:30-8:30pm for dialogue and application of the material.

Read the opening statement by Rick Warren again.... After reading it, which person are you? The first or the second? There’s a place for you at CR.

It’s a privilege to serve as your Discipleship Pastor,

THE PASTOR'S BLOG

I would like to tell you a story about two different moves that were made by a pastor. Move One...a pastor moves from Corpus Christi to Canyon Lake to begin a new ministry. The transition does not go so well. For starters, his house in Corpus Christi does not sell for a year. This causes quite the financial struggle. He is forced to make both a house note in Corpus and a lease payment at Canyon Lake....[read more at nbcvictoria.org/blog](http://nbcvictoria.org/blog)
