33 The Series: A Man and His Traps— The marker of those who understand the gospel of Jesus Christ is that when they stumble and fall they run TO God and not FROM Him. This study will help you Identify the deep Idols of a man’s heart and develop a “battle plan” built on God’s Grace.

The Bible Project: Read Scripture —The series walks through each literary style found in the Bible, and how each uniquely contributes to the overall whole. While the Bible is one unified story, it cannot all be read in the same way, as each literary style lives by its own rules and structure; this will be explored in detail.

13th Disciple—A birds-eye view of what it would be like if you were the 13th Disciple observing the same things from the life of Jesus as the other 12.

3 Circles: Life Conversations— Ever felt intimidated in sharing your faith with friends and family because you could not memorize several Scripture passages? Well worry no more, 3 Circles: Life Conversations is an Evangelism Strategy used by our North American Mission Board. People of all ages are using this easy strategy to tell their friends and family about Jesus.

Financial Peace University—Are you living from paycheck to paycheck? Are you drowning in debt? This course can give you the tools you need to become financially free. Dave Ramsey’s course has helped thousands of people get back on track financially. The material packet in this course cost \$99.00. Partial scholarships are available.

Old Testament Bible Study—This is a Textual Old Testament Bible study. Chapters are discussed in chronological order and include historical information regarding the times, circumstances and background. All material is provided. Preparation includes reading through the texts and being prepared to discuss 4 to 5 assigned application questions for each lesson.

A Woman’s Heart, God’s Dwelling Place—Explore the fascinating account of the building of the Old Testament tabernacle, the significance of its intricate design, its pivotal role in God's eternal plan, the grand fulfillment of its purpose by Jesus Christ, and its variety of meanings for your walk with God today.

Man Alive—This mid-week Group is a great opportunity for men to dig deep into God’s Word as well as build friendships of Faith.

Goliath Must Fall— We all have giants in our lives that creep in and take over. Giants like rejection, anxiety, fear, anger, and addiction. These adversaries establish a foothold, and before we know it we are tolerating something that is diminishing the glory of God in our lives and holding us back from the freedom that Jesus intends for us. So how do we break out of these patterns once and for all? This curriculum will help you discover that.

Daniel—Join Beth Moore in a faith-building study of prophecy and learn how to live with integrity in today's self-absorbed society. The prophet Daniel faced unbelievable pressures to compromise his faith, to live in a hostile culture, and to confront temptations and threats. Today, believers in Jesus Christ face many of the same trials.

Discerning the Voice of God—Discover the root to clear and daily communication with God—humble obedience. Learn how surrender unlocks His many blessings intended for us, centers us in His will, and helps us discern His voice in everyday life.

Topical Bible Study on Thursday Nights —This Group enjoys eating a meal together followed by a topical Bible Study. Some of the studies are video driven, others are not. Contact the facilitator with questions about the group.

Men’s Group @ Pinto Bean —This Small Group is a great opportunity for men to dig deep into God’s Word as well as build friendships of Faith. Lately this group has been studying various books of the Bible.
