

TRIP OF A LIFETIME

TIM WILLIAMS
Senior Pastor

Have you ever been on a trip that changed your life? On our mission trip to the Rio Grande Valley in 2013 we saw some pretty neat things happen in the life of the Davila family. Not only did we see a family qualify for and receive a new home, we saw the head of the home come to Christ. This year we will be working with another family that has qualified for a home, the Montez-Chapa family. God has already been at work in that family in some very important ways. In caring for an elderly father who is blind, the parents are also raising their five children, one of whom is a cancer survivor. They face losing the trailer they live in to the owner, not by any fault of theirs. The owner now has need of it himself. As this family has been working to qualify for a new home, God has been working to keep them going.

How is he working in us? There is still time and room for some of you to go on our mission trip March 7-11. Please see me or Dean Meade as soon as possible about that. What

.....

AS THIS FAMILY HAS BEEN WORKING TO QUALIFY FOR A NEW HOME, GOD HAS BEEN WORKING TO KEEP THEM GOING.

.....

about praying for our trip if you are not going? On March 1, you will be given a prayer guide for the trip if you are willing to commit to that. What about giving? This is no small project, and it is not the only ministry we are going to do while there in the valley. We could use your financial donations above and beyond your regular gifts to our church to help make this trip possible “ministry-wise” and “people-wise.” We have several who would really like to go but need some financial assistance to make this possible.

The Rio Grande Valley and the border area is one of the key areas of our nation, if not the world. We will be working on the fastest growing colonia in the valley. It is a mission trip where we can use everyone’s help. How about yours?

For the journey...

Tim

ALL NEW K.I.D.S. WORSHIP

We are having a great time in K.I.D.S. Worship. K.I.D.S. Worship is for children kindergarten through fifth grade. With the use of videos, songs, and games we will cover the entire Bible in a little over 1 year. Fifth graders will help lead worship so they can learn to be leaders in the church. Join us Sunday during the 10:45am worship service. Watch your worship guide for exit times. Meet in the foyer and then head to Building B for videos, music, games, and fun - all while learning God's word. Questions? Contact Tom Smith or Rebecca McQuillen.

THE PASTOR'S BLOG

This weekend we are going to be looking at a lonely song from the Bible, David's Psalm 142. It got me to thinking about the sad, lonesome songs played on the radios, 8 track players, cassette tape players, Walkman's and other musical devices in my life time.read more at nbcvictoria.org/blog
